Serial Cables Introduces the PCIe x16 Gen3 Host Card at FMS2016

Be sure to come see us at FMS 2016 in booth #534

August 3, 2016 - PCIe x16 Gen 3 switch-based host adapter integrates Avago Technologies ExpressFabric PEX9733 Capella 2, a fully non-blocking and low-latency, 33-lane, 9-Port PCI Express Gen 3 switch.

- Operates at up to 128Gb/s at PCIe Gen 3 speeds
- Requires no additional software
- Half-card form factor
- PCIe Gen3 x16 for upstream port
- PCIe Gen3 x16 for downstream port OR
- PCIe Gen3 x8 for two downstream ports OR
- PCIe Gen3 x4 for four downstream ports
