Biography:

Jim Handy, a widely recognized semiconductor analyst, has over 30 years in the electronics industry including 16 years as an industry analyst for Dataquest (now Gartner), Semico Research, and Objective Analysis. His background includes marketing and design positions at market-leading suppliers including Intel, National Semiconductor, and Infineon. A frequent presenter at trade shows, Mr. Handy is known for his widespread industry presence and volume of publication. He has written hundreds of articles for trade journals, Dataquest, Semico, and other prior employers, and is frequently interviewed and quoted in the electronics trade press and other media.
