

Everspin: MRAM to Mainstream

Phill LoPresti, CEO
phill.lopresti@everspin.com
480-347-1102

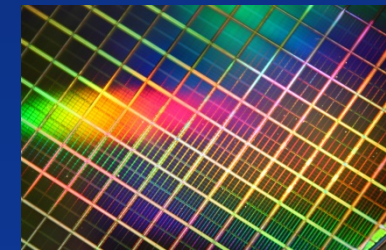

- **The Market Leader in Advanced MRAM Products and Solutions**
- **Serves Large and Growing Markets**
- **Well-Established OEM Relationships**
- **Global, Cost Effective Operations**
- **Strong Financial Track Record and Privately Owned by Semiconductor VCs**
- **Focus on Quality and Reliability**
- **Planning Mass-Proliferation through Foundry Partnership**

Discrete MRAM

Modular MRAM

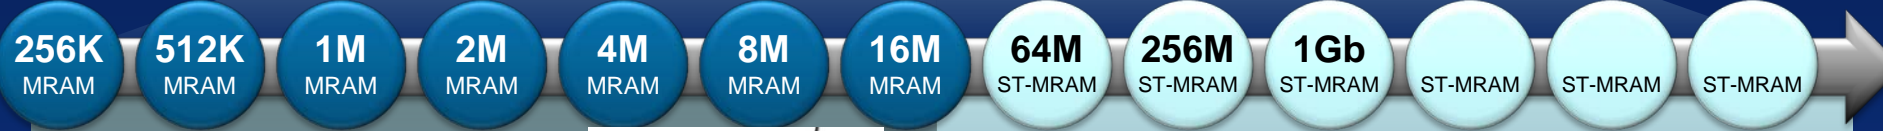

Embedded MRAM

The Everspin MRAM-enabled World

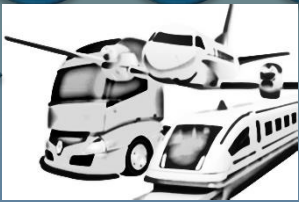

MRAM (Field-Switched)

ST-MRAM (Spin Torque)

**Instantly Recoverable
Transportation**

**Immediately Reliable
Storage, File, & Backup Systems**

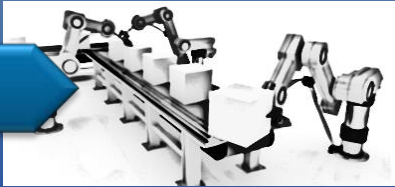

**Everlasting & Resilient
Medical Equipment**

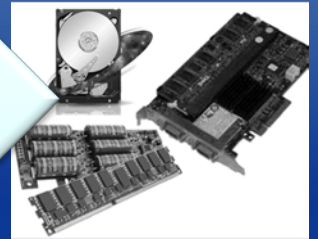

**Rapidly Proficient
Enterprise Storage & Networks**

**Fault-Recoverable
Industrial Automation**

**Power Fail Safe, Write Caching for
HDD and RAID**

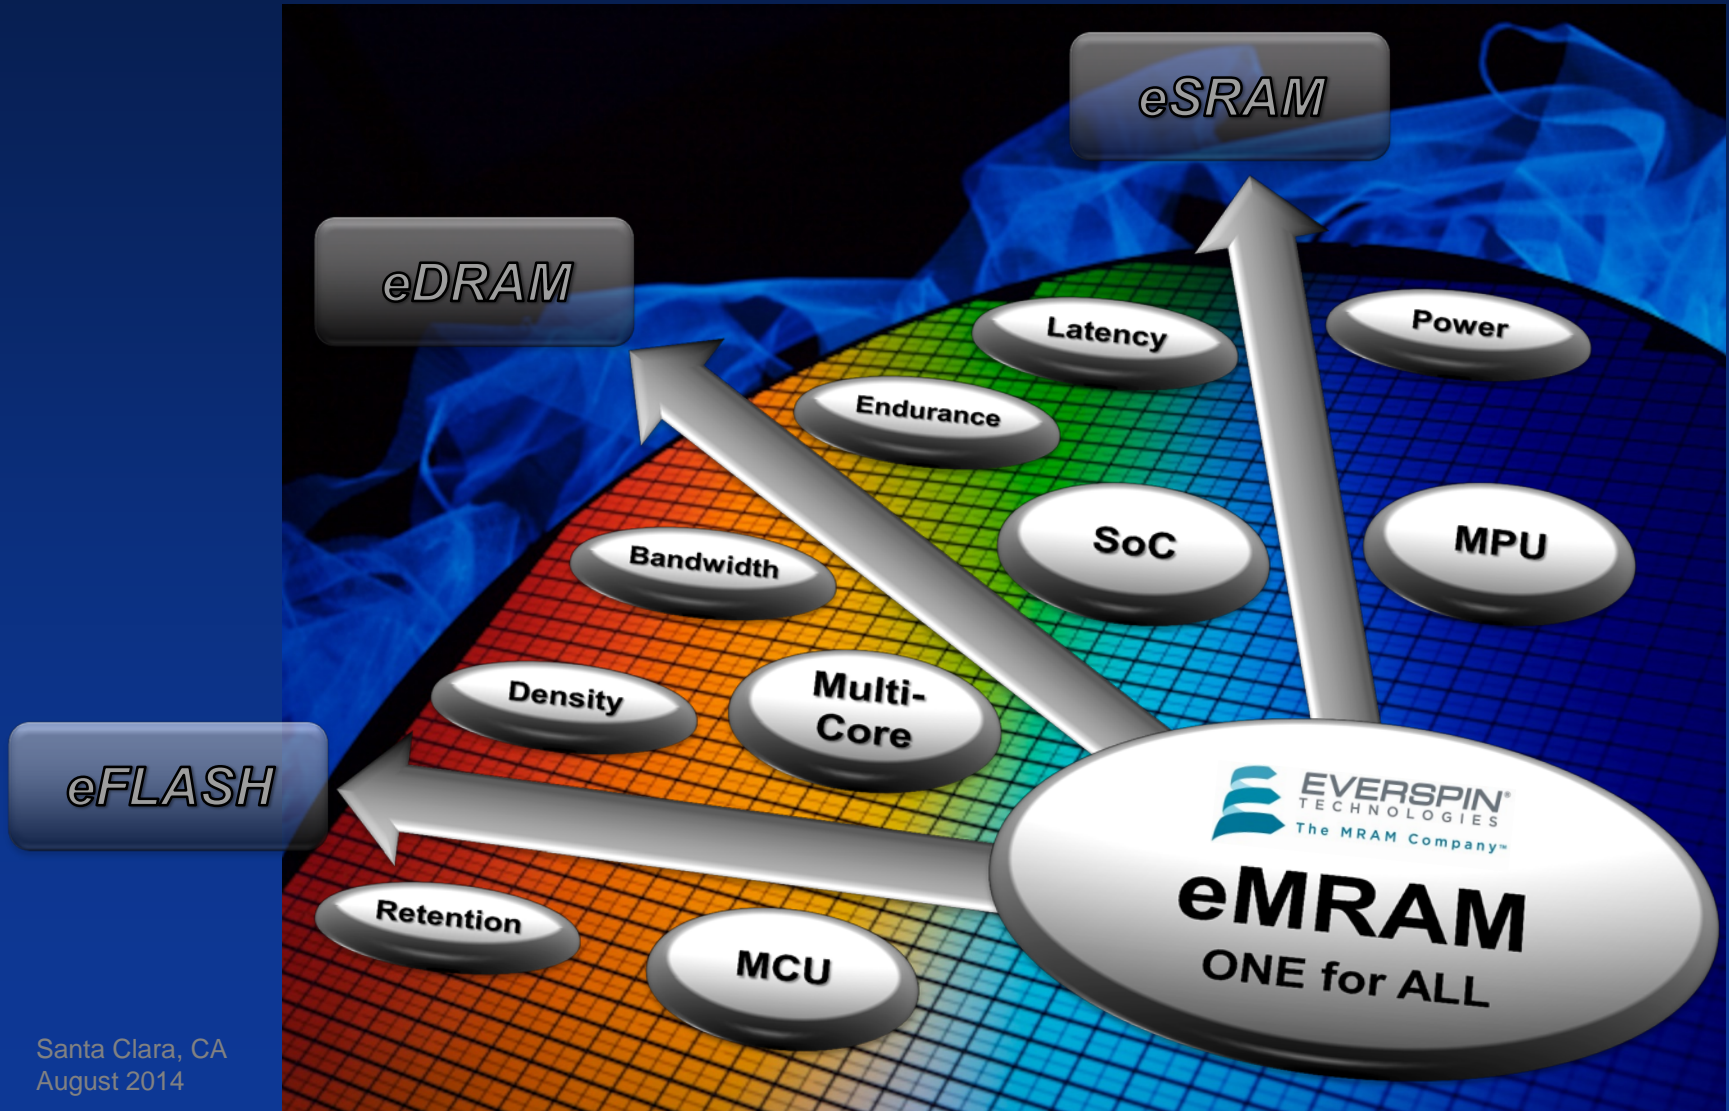

**Secure & Reliable
Smart Grid**

\$200M TAM

\$2B TAM

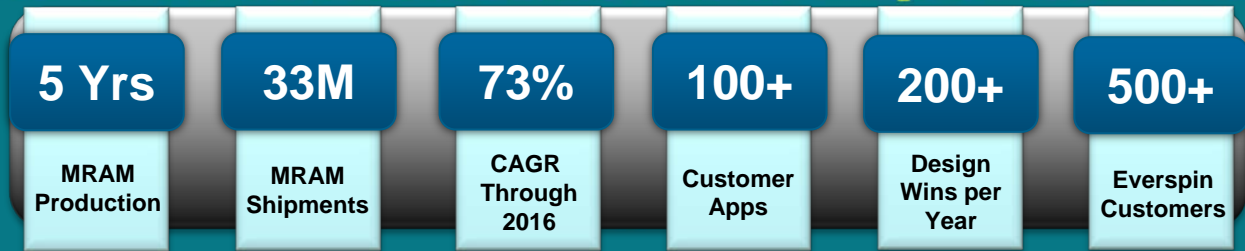

MRAM Embedded: One for All

Leading the Way to \$2B MRAM

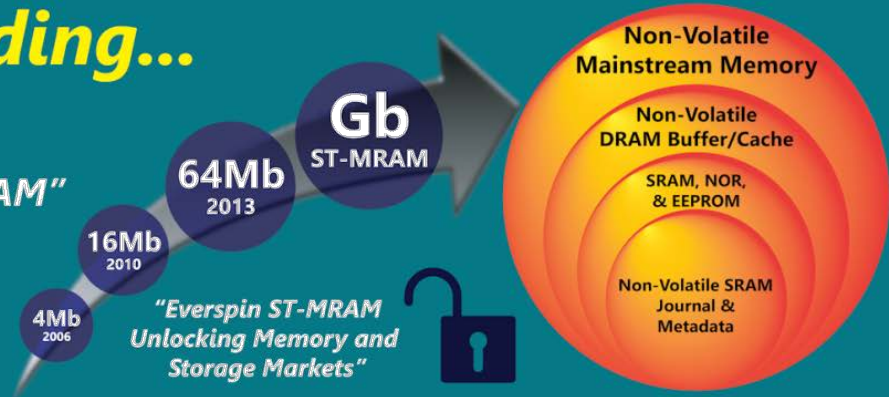

Ever Established... Ever Experienced...

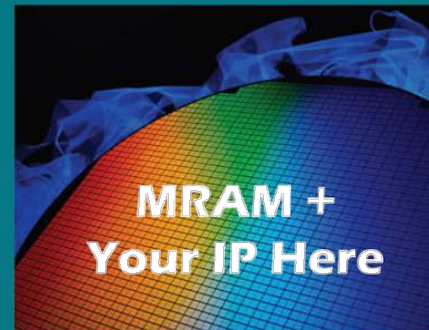

Ever Expanding...

"First to market with Spin Torque MRAM"

Ever Enabling...

- Discrete -
- Modular -
- Embedded -

Leading the Way to \$2B MRAM

Strongest Base: 5 years, 33Mu, 78% CAGR

Solutions Roadmap: 1Gb+, Modular, Embedded

Strongest Team: Experience, Success, Delivery

Widest Ecosystem: Foundries, Tools, HW/SW
