ACCELERAT**3D**

Because data needs to move
as fast as your business.

 **Micron**®

Safe Harbor

During the course of this meeting, we may make projections or other forward-looking statements regarding future events or the future financial performance of the Company and the industry. We wish to caution you that such statements are predictions and that actual events or results may differ materially. We refer you to the documents we file on a consolidated basis from time to time with Securities and Exchange Commission, specifically our most recent Form 10-K and Form 10-Q. These documents contain and identify important factors that could cause our actual results on a consolidated basis to differ materially from those contained in our projections or forward-looking statements. These certain factors can be found at <http://investors.micron.com/riskFactors.cfm>. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. We are under no duty to update any of the forward-looking statements after the date of the presentation to conform these statements to actual results.

Turning Data Into Insight with Flash Storage & Persistent Memory

Darren Thomas

General Manager & Vice President of Storage

Total Flash Storage Shipped*

2015  5%

2016  10%

*This is a really big deal...
The broader implications
are that analytics just got
a whole lot more
interesting.*

**- Patrick Moorhead, Moor
Insights & Strategy**

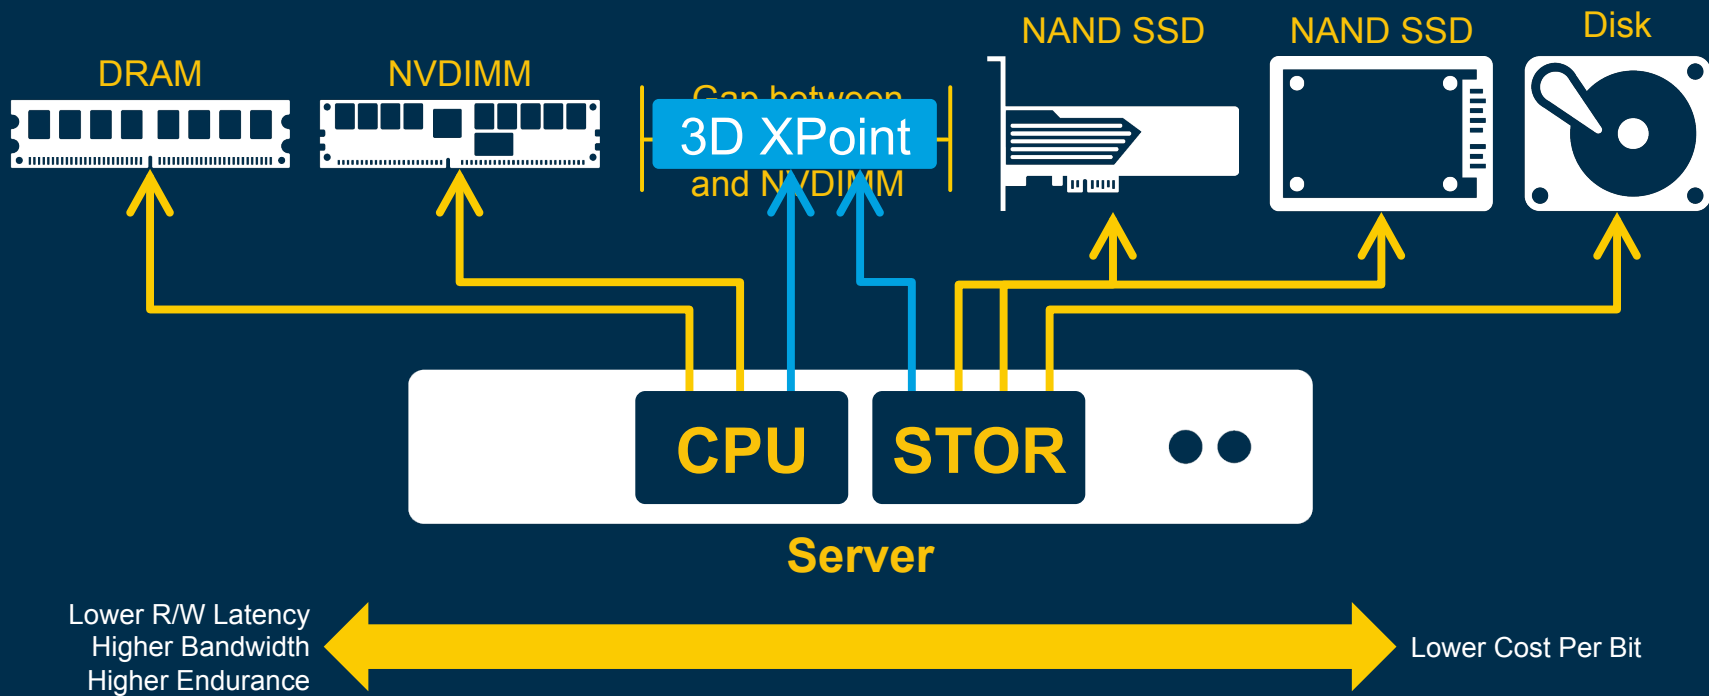

*This new type of storage is
fundamentally and dramatically
better than anything else we've
seen in decades. Yes—decades.*

- Justin Warren, Forbes

*There is no other game
in town in this area of the
memory-storage hierarchy...*

- Jim Handy, Objective Analysis

Server Memory & Storage Hierarchy

*Ladies & gentlemen,
please put on your
3D glasses*

Community organizing is all about building grassroots support. It's about identifying the people around you with whom you can create a common, passionate cause. And it's about ignoring the conventional wisdom of company politics and instead playing the game by very different rules.

- Tom Peters, business consultant & author

Where is Micron at FMS?

Booth #134

Demo showing high capacity 3D NAND SSD (24TB)

Micron Reception in Tusca Courtyard

Tuesday, 7-9:30 pm

NVMe Solutions Lab – Exhibit Hall Area D

NVMe over Fabric demo with Mellanox

Four Power Hour Sessions – GAB K

Tuesday

- 3:20-4:25 pm: Handling Super-Big Data with New NVM Technology
- 4:35-5:45 pm: 3D XPoint Technology & the Coming Architecture Revolution

Wednesday

- 8:30-9:35 am: Memory Development to Driving Autonomously
- 9:45-10:50 am: Mobile Flash: Rethinking Storage Performance Benchmarks

Solutions Showcase – Room #210

- Mellanox & NVMe over fabric
- 3D XPoint SSD vs. NAND SSD
- Automotive touch-screen demo
- NVDIMM Plexistor
- 3D NAND Client SSD Laptop demo
- 3D NAND in a Mobile platform with UFS
