

Flash Memory Summit

Chat with the Experts 2019 Tables and Table Leaders

3D NAND — Table 12

- Jeongdong Choe, Sr Technical Fellow, TechInsights
- Qiang Tang, VP of YMTC Product Development Center, Yangtze Memory Technologies Co., Ltd.

3D Xpoint™ Technology — Table 13

- Mark Webb, Analyst/Consultant MKW Ventures Consulting

All Flash Arrays — Table 14

- George Crump, Storage Analyst, Storage Switzerland
- Clay Rider, Senior Manager of Product Marketing, Western Digital

Automotive Applications — Table 24

- Alan Messer, CTO, Mojio
- Syed Hussain, Director, Winbond Electronics

Big Data — Table 15

- Denise Shiffman, CPO, DriveScale
- Linda Zhou, Senior Technologist of Partner Alliances Data Center Systems, Western Digital

Blockchain Apps/Multi-Cloud Storage — Table 7

- David McIntyre, Principal Consultant, DS McIntyre Consulting
- Kanish Sharma, Sr Mgr Product Marketing, Kaminario
- Andy Watson, CTO, WekaIO

China — Table 33

- Jim Handy, Semiconductor Market Research Analyst, Objective Analysis
- Chris Tsu, Co-Founder/President US Operations, Sage Microelectronics

Composable Storage — Table 40

- Scott Hamilton, Sr. Director Product Management, Western Digital
- Brian Pawlowski, CTO, DriveScale

Computational Storage — Table 41

- Scott Shadley, VP Marketing, NGD Systems
- Steve Telgener, Marketing Manager, Xilinx

Consumer and Mobile Apps — Table 25

- Troy Hegr, Sr. Manager, Global Business Development, Ontrack

CXL Consortium/RDMA Interconnects — Table 8

- Jim Pappas, Marketing Director, Intel
- Scott Taylor, Director Software, GigaIO

Data Centers/Power/Energy Optimization — Table 2

- Francesco Carobolante, Principal, IoTissimo
- Tom Lyon, Founder and Chief Scientist, DriveScale

Flash Memory Summit

Chat with the Experts 2019 Tables and Table Leaders

- Gunna Marripudi, Fellow, Product Management, Data Center Systems, Western Digital
- Brian Zahnstecher, IEEE Senior Member, PowerRox

Data Recovery — Table 44

- Robin England, Hardware R&D Team Lead, Ontrack
- Earle Philhower, Technical Marketing Engineer, Pavilion Data Systems

Database Acceleration/Enterprise Applications & Performance — Table 5

- Uri Beitler, CEO, Pliops
- Marc Staimer, President & CDS, Dragon Slayer Consulting

Diversity and Inclusion Programs — Table 16

- Mary Ann Gallo, Founder, Affinities
- Uma Parepalli, Engineering Program Management, Marvell Semiconductor

Education — Table 23

- Jim Ballingall, Executive Director, Industry-Academia Partnership
- Tedra Nikolai, FMS Education Coordinator, Flash Memory Summit
- Xinmiao Zhang, Vice-Chair Academia Data Storage Tech Committee IEEE, Ohio State University

Embedded Applications — Table 26

- Tom McCormick, Chief Engineer/Technologist, Swissbit
- Qun Zhao, Co-Founder and VP, Innogrit

Endurance — Table 42

- Itai Ben Zion, Director of VLSI, Pliops
- Naveen Kumar, Principal Engineer, Seagate

Enterprise Storage/KV Store/Cloud Database Apps — Table 3

- David Cohen, Director of Software Engineering
- Steve Fingerhut, President and Chief Business Officer, Pliops
- Yogesh Rami, Senior Product Marketing Manager, Data Center Systems, Western Digital

Error-Correcting Codes — Table 32

- David Declercq, Co-Founder/CTO, Codelucida
- Bane Vasic, Professor, The University of Arizona

Form Factors — Table 31

- Tom Friend, President, Illuminosi, Inc
- John Geldman, Director, SSD Industry Standards, Toshiba Memory America

FPGAs/Hardware Design — Table 6

- Tod Earhart, CEO, BurlywoodTech
- Deepak Shankar, Founder and VP, Mirabilis Design

Hyperconverged — Table 38

- Richard Elling, Principal Architect, Viking Enterprise Solutions

Flash Memory Summit

Chat with the Experts 2019 Tables and Table Leaders

- Stefaan Vervaet, Senior Global Director of Strategic Alliances Data Center Systems, Western Digital

IT End Users — Table 17

- Ken Clipperton, Lead Analyst, DCIG
- Howard Marks, Technologist Extraordinary, Vast Data

Marketing — Table 22

- Walt Hinton, Head of Corporate and Product Marketing, Pavilion Data
- Lee Stein, Marketing Consultant, Stein Writes

Memory & Storage Markets — Table 39

- Thomas Coughlin, President, Coughlin Associates
- Don Jeanette, Vice President, TRENDFOCUS

New and Emerging Memory — Table 20

- Barry Hoberman, Technology Consultant, Barry Hoberman Enterprise

Next Generation Controllers — Table 45

- Dishi Lai, Co-Founder and VP, Innogrit
- Dr. Bernard Shung, CEO, Wolley

NVMe — Table 26

- Dave Ridgeway, Senior Product Marketing Manager, Data Center Systems, Western Digital
- Amit Saxena, VP of Engineering, Mobilveil

NVMe over Fabric — Table 47

- Alan Benjamin, CEO, GigaIO
- Matt, Bowman, Product Engineering Manager, Viking Enterprise Solutions
- Dave Montgomery, Platforms Marketing Director, Western Digital

PCIe SSDs/SSD Performance — Table 28

- Erich Haratsch, Director of Engineering, Flash Channel Architecture, Seagate
- Chanson Lin, CEO, EmBestor Technology
- Niraj Mathur, VP Product Management, GigaIO
- Esther Spanjer, Director, Business Development, Micron

Persistent Memory/NVDIMM — Table 1

- Jeff Chang, VP Sales, Marketing & Business Development, AgigA Tech
- Neal Christiansen, Principal Development Lead, Microsoft
- Mike McKean, Director, Encore Semi
- Arthur Sainio, Director Product Marketing, SMART Modular

Real World Workloads — Table 18

- Eden Kim, CEO, Calypso Systems

Reliability/Performance/SSDs — Table 29

Flash Memory Summit

Chat with the Experts 2019 Tables and Table Leaders

- Igal Maly, Director of Software Development, Pliops
- Kent Smith, SSD Product Marketing, Micron
- Ken Steinhardt, Field CTO, INFINIDAT
- Steve Wilkins, Senior Product Marketing Manager, Data Center Systems, Micron

Remote Persistent Memory/Cloud Storage — Table 11

- Rob Davis, VP Storage Technology, Mellanox
- Charlie Dong, Senior Director of Software Engineering, Innogrit
- Paul Grun, Storage I/O and Interconnect Architect, Cray

RRAM and MRAM — Table 21

- Jim Bucci, Application Engineer, Tektronix
- Shuhei Tanakamaru, Principal Engineer, Seagate

Rugged Environments — Table 30

- Alex Chervet, VP Marketing and Business Development, Agylstor
- Dennis Eodice, VP Strategic Sales, Foremay

SNIA Swordfish and DMTF Redfish — Table 46

- Richelle Ahlvers, Storage Management Software Architect, Broadcom

Software-Defined Storage — Table 37

- **Derek Swanson, Field CTO & VP Worldwide Field Engineering, Kaminario**

Standards and IEEE/Thunderbolt — Table 9

- Bill Martin, SSD I/O Standards, Samsung Electronics
- Shailendra Sinha, Senior Business Development Manager, Intel
- Richard Solomon, VP PCI SIG, Synopsis

Storage Benchmarks and Testing — Table 19

- Dennis Martin, President, Principled Technologies
- Rick Walsh, VP Sales and Marketing, SANBlaze

Storage Fabrics / Open Fabrics Alliance — Table 4

- John Kim, Director of Storage Marketing, Mellanox
- Mark Miquelon, Director of Product Alliance Engineering, Data Center Systems, Western Digital

Storage Security — Table 34

- Steve Hruska, Senior Hardware R&D Engineer, Ontrack
- Axel Kloth, President and CEO, Scalable Systems Research Labs Inc.

Storage Software — Table 35

- Pat Balakrishnan, VP of Engineering, Violin Systems
- Jean Bozman, VP and Principal Analyst, Hurwitz and Associates

Tiering and Zoned Storage (ZNS) — Table 43

- Eddie Ramirez, Western Digital

Flash Memory Summit
Chat with the Experts 2019 Tables and Table Leaders

Venture Capital — Table 36

- Wayne Rickard, Tech Industry Advisor/Investor, Tech Coast Angels
- John Rotchford, Managing Director, SASI

Virtual All Flash Arrays/Virtualization & Containerization — Table 10

- Charles Tsai, CEO, AcceleStor
- Weafon Tsao, CTO, AcceleStor
- Brendan Wolfe, VP Product Marketing, Hammerspace
